Katherine (KELLY?) Married a Mr. RUSSELL, whose given name is unknown, about 1830, probably in VT. They had a son James, born about 1831, and a son Jonathan Woodman, born 6 August 1833. Both were born in VT. There was also a son William, born 1837 in Canada. Sometime shortly after the birth of William, Mr. RUSSELL died and Katherine remarried a Mormon, by whom family tradition claims she had a son and a daughter. It is believed they married in NY state, possibly St. Lawrence County, as William attended school there. It is believed they moved to MI and then to IL as William is found there in 1860. Who was her second husband and what happened to the family?
